At the heart of the community

Hello parents and carers

It has been wonderful to see so many of you in school this week. We really enjoyed our storytelling mornings with you and the fabulous ICT afternoon in our classrooms yesterday!

Children love to share their learning and it makes a big difference to them when you get involved.

Next week we will be thinking about eSafety on Internet Safety Day -Tuesday 11th February.

Please ask your children what they have learned and please also check the filters and security settings if you have any phones or devices that your children use to go online. You can always ask your phone shop for advice – many of them will apply the settings for you, and don't forget to use the links on our website [www.prioryprimary.co.uk/e-safety/](http://www.prioryprimary.co.uk/e-safety/).

Have a happy and safe week.

Mrs Fraser  
Headteacher

Reception 95.7%

Well done to Reception for achieving the highest attendance this week

Thank you to the School Council for their assembly on Monday this week, telling us all about the charity Kids Out, which has been voted as the charity we want to support this year.

We heard about the difference this charity has made to children who are disadvantaged for various reasons, and the wonderful events they organise.

School Council have a great idea for how we might raise funds...watch this space!

## School Blog

Don't just take it from us – read what the pupils are saying about school.

## Midland Mainline Visit Priory

There were gasps of awe as Midland Mainline staff revealed the prizes for their Railway Safety competition. Year 6 pupils Shima, Yasmin and Farhan (whose prize was collected for him by Yusuf) were awarded these fantastic skateboards for their designs which gave the clearest message about the dangers of playing close to the electrified lines.

You can see our designs in glorious technicolour, printed on the hoardings of Bromham Bridge or visit our school blog.
