At the heart of the community

Hello parents and carers,

This term has gone past so quickly and now we have just one week left of the school year.

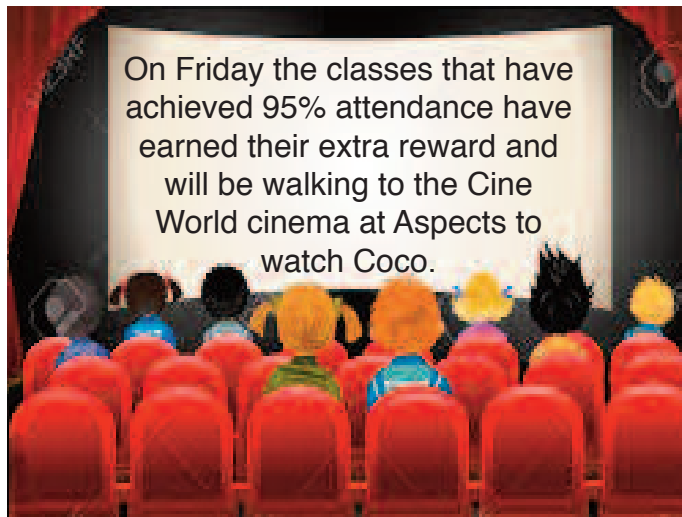

There has been lots happening this week with visits around town to music events, map making with Captain Alice, working with Carole the artist and a Science morning.

Next Thursday Year 5 are going to Biddenham school to experience a day in the life of secondary school.

We hope to see you at our Summer Fair next week.

Head teacher

**A reminder that term ends  
on Friday 20th July.  
Children return to school on
