Issue 16 January 25th 2019

Hello parents and carers,

I hardly dare say it but I think that spring may be on its way. The evenings are getting lighter and buds are starting to appear.

We can see this in our Forest School. I hope that you like the photograph opposite. There is a lovely video on our new Facebook page showing some of the children at work there. Please visit and 'Like' our page to watch it.

But just in case we have also posted information on Facebook as to what will happen if we do get some snow.

We will continue to serve pizza on a Friday as is our tradition. If it is on the menu earlier in the week, that day will be substituted with an alternative. Please be aware of this when looking at the school menu.

We break up for half term on Friday 8th February and return to school on Monday 16th February.
